# We Rate Dogs Twitter Account

WeRateDogs is a twitter account that rates dogs. In this account Dogs lovers share their dog's photos with a very lovely comments and ratings that has always a denominator of 10 but for nominators it is most of the time above 10 as 12/10 13/10 14/10 and so on, which shows how much people love seeing dogs doing adorable poses.

After analyzing people engagement with tweets that is defined with both retweets and favorite counts, here is some of the interesting insights and visualizations found in the twitter account data:

- December is the month at which people shared tweets the most in We Rate Dogs account.

- Dogs have different stages that depends on their ages which are (doggo – floofer – pupper - puppo). This graph shows most dog stages that appear in the account tweets which shows that the most three frequent dog stages are: pupper, doggo and puppo.

Frequent Dog Stages

This graph shows average people reactions to different dog stages. Double stages means that the tweet has two dogs in the photo and it is obvious that doggo puppo is the most loved.

Average People Reactions to Different Dog Stages

- The most tweet people retweeted was for a doggo.

- The most tweet people liked was for a puppo.

This interesting analysis process shows how much a lot of people love dogs and consider them as their best friends and give them lovely beautiful names. WeRateDogs account has over 8.8 million followers and has received international media coverage. If you're a dog lover too, check this account and rate your dog.
